T S

In Memory Of
T. FRANK MURCHISON

DEDICATION

T. Frank Murchison was known as "Mr. Trinity." His interest in the university dated back to his matriculation in 1910 and continued through his graduation in 1914 until his death, November 11, 1955. His vision and his determination brought Trinity to its present "Skyline Campus."

As co-chairman of the building committee he was instrumental in the decision to develop Trinity Hill along modern, functional lines rather than a traditional design, bringing to Trinity national recognition.

His high standards for Trinity can be summarized in his aphorism, "There is no place for Trinity but the top."

FOREWORD

This is the tale of your year at Tigerland—your joys, your hopes, your dreams, and your disappointments.

We have gathered within this volume the keys to unlock your own memories. As you look back on this year of 1956 may each picture bring to your mind a special moment you treasure.

UNIVERSI

When I first came

TY

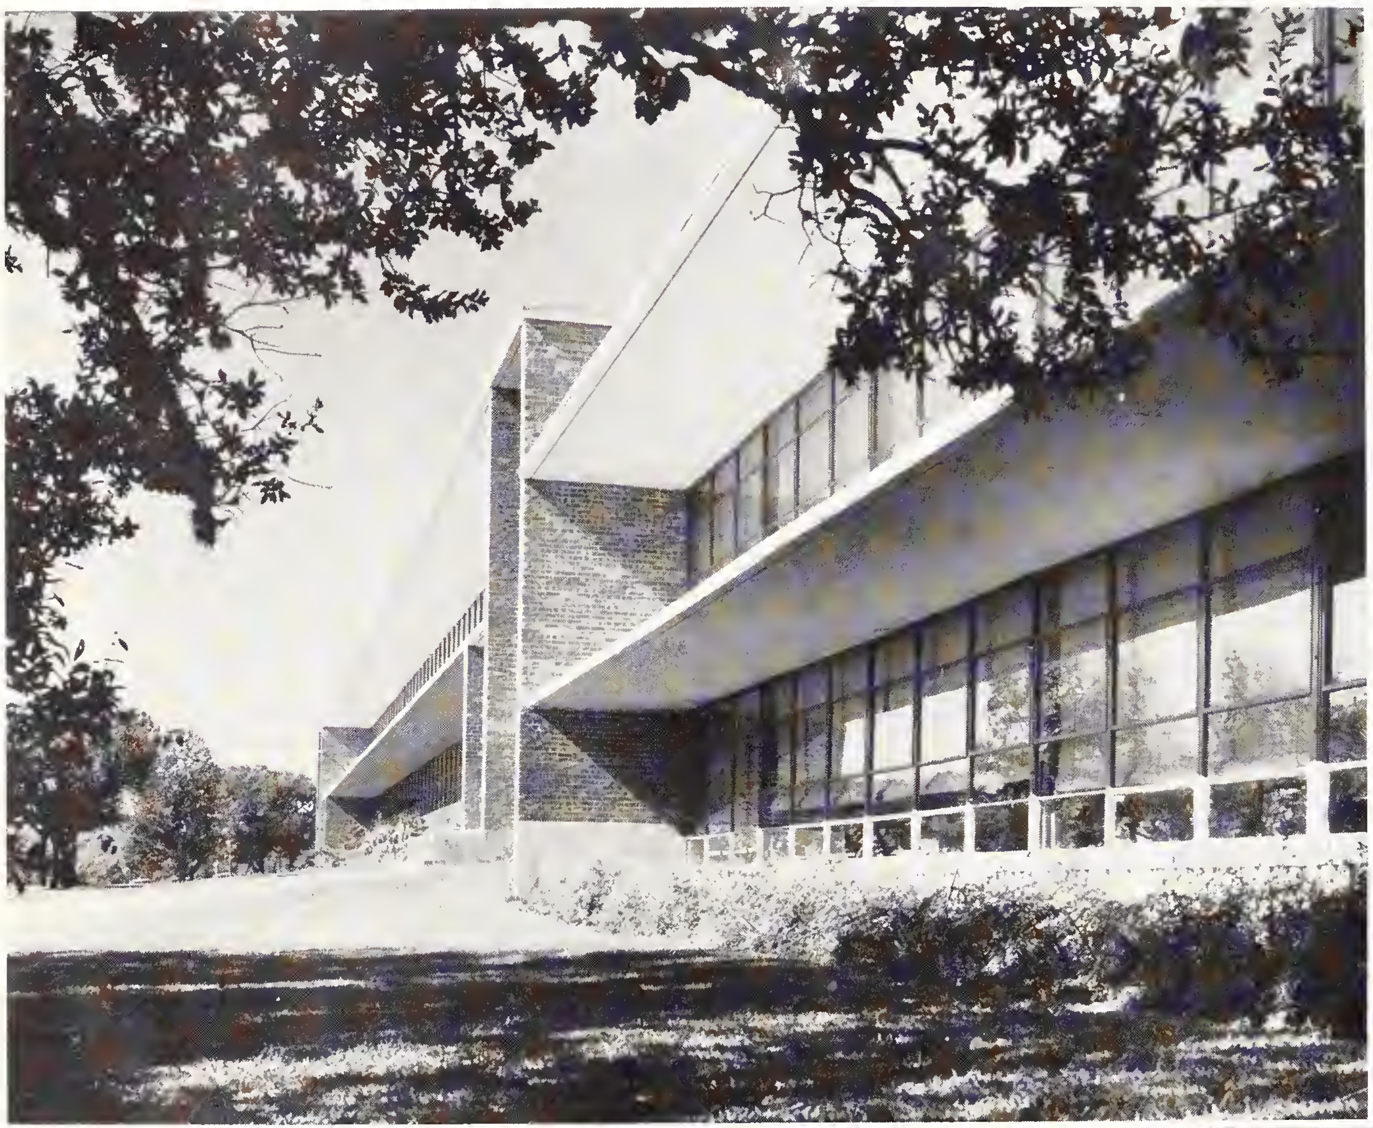
to Trinity . . .

CAMPUS

. . . I was awed by the new
way of life, but . . .

ADMINISTRATION

Trinity's Classroom-Administration building stands atop the highest point of the 107 acres constituting "America's Most Modern College Campus." This two story structure, the first building on the new campus, initiated the use of the revolutionary Youtz-Slick Lift Slab construction method to create a modern functional design in college buildings.



By day the center of learning . . .

. . . by night a light on the hilltop.

BUILDING

Composed of an administrative wing, 27 classrooms, and a faculty office wing, the multi-level "Ad building" is the geographical center of the campus. Classes meet here from eight in the morning until ten at night with various class and club meetings sandwiched in between.

Miles of halls to travel . . .

. . . and faculty offices to visit.

STUDENT UNION

Spacious and ideal for leisure activities . . .

. . . with terraces providing a spectacular view of the city . . .

. . . and news from home and school.

BUILDING

The "living room" of our college home . . .

. . . serving delicious "home cooked meals" . . .

. . . and "Today's Top Ten" with a side order of gossip.

STORCH LIBRARY

George Storch Memorial Library is built on two levels. The lower level is a periodical reading room and the upper level provides books for study and research. The art department is located on the second floor until the Fine Arts Building is completed. The formal gardens surrounding the Library were awarded one of the top honors in this year's American Association of Nurserymen contest, "Plant American."

Sunshine and flowers . . .

. . . above the ledge.

SEMMES CHEMISTRY HALL

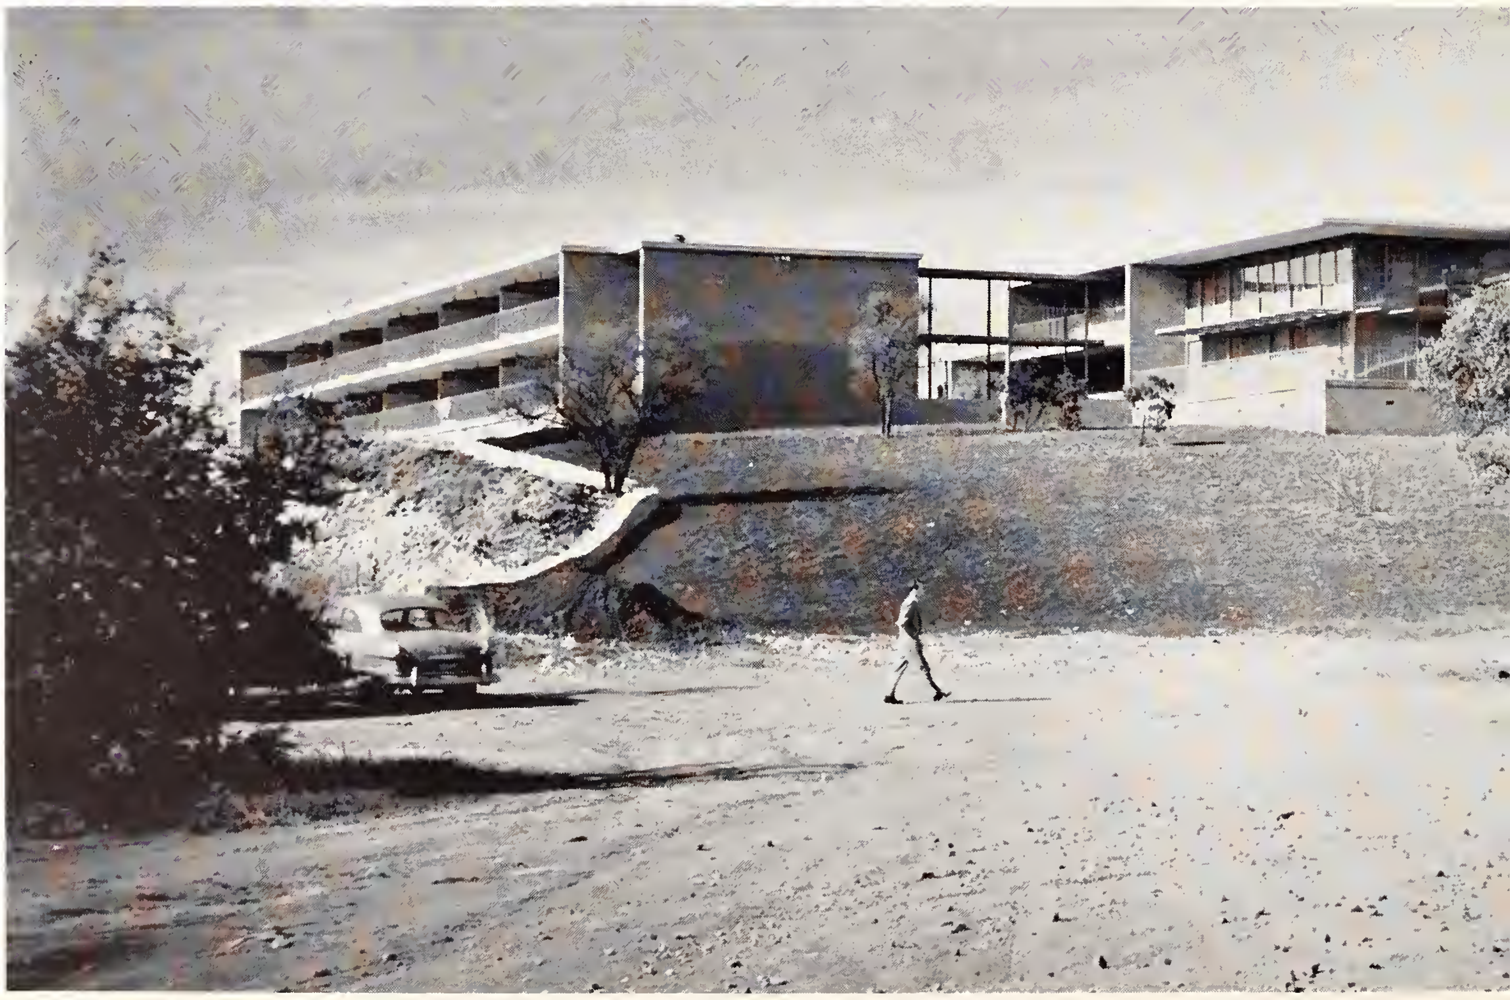
First segment of the two wings and adjoining lecture hall which will make up the Science Building, the Thomas B. Semmes Chemistry Hall now houses all the science departments. Chemistry and physics departments occupy the first floor, biology department uses the second, and psychology testing rooms are on the third. Classrooms as well as laboratories are provided for all courses.

Only a beginning

McFARLIN

E. B. and Myrtle McFarlin Dormitory for Women is situated on the western edge of the campus. Overlooking the band and football practice fields, it is made up of three wings, capable of housing 160 women, and a lounge for entertaining.

Private balconies for a sprawling view . . .

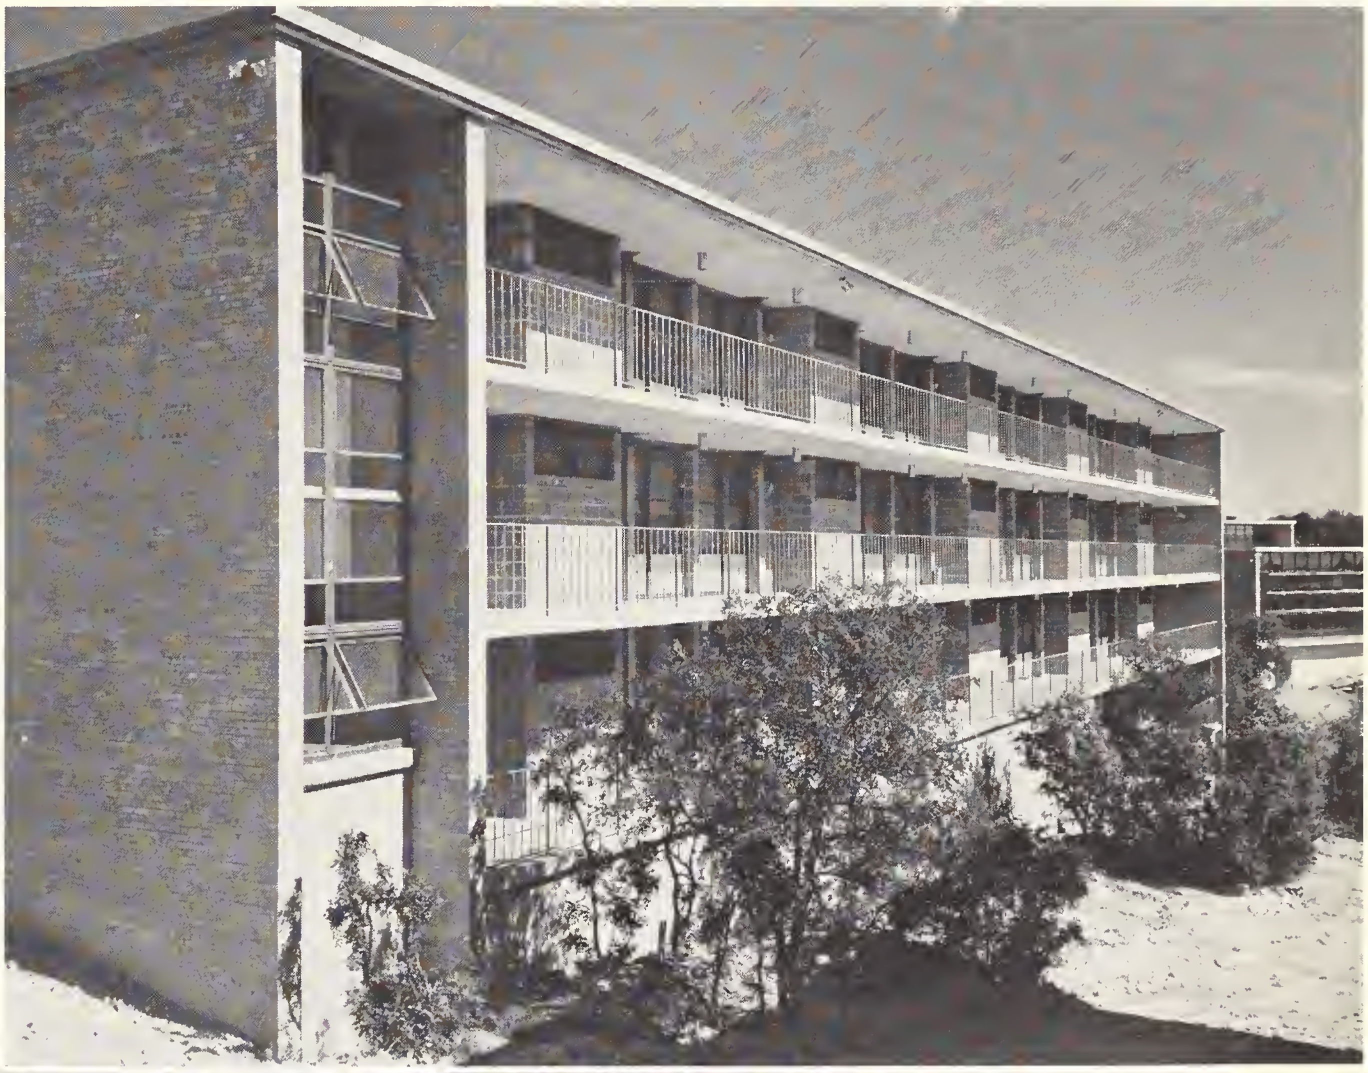


. . . at a streamlined flat-top home.

DORMITORY

The wings are joined by two deck covered ramp passage-ways. The rooms are arranged in suites of two for more companionable living. Ample closet space for large college wardrobes is provided.

Just right for early spring suntans . . .

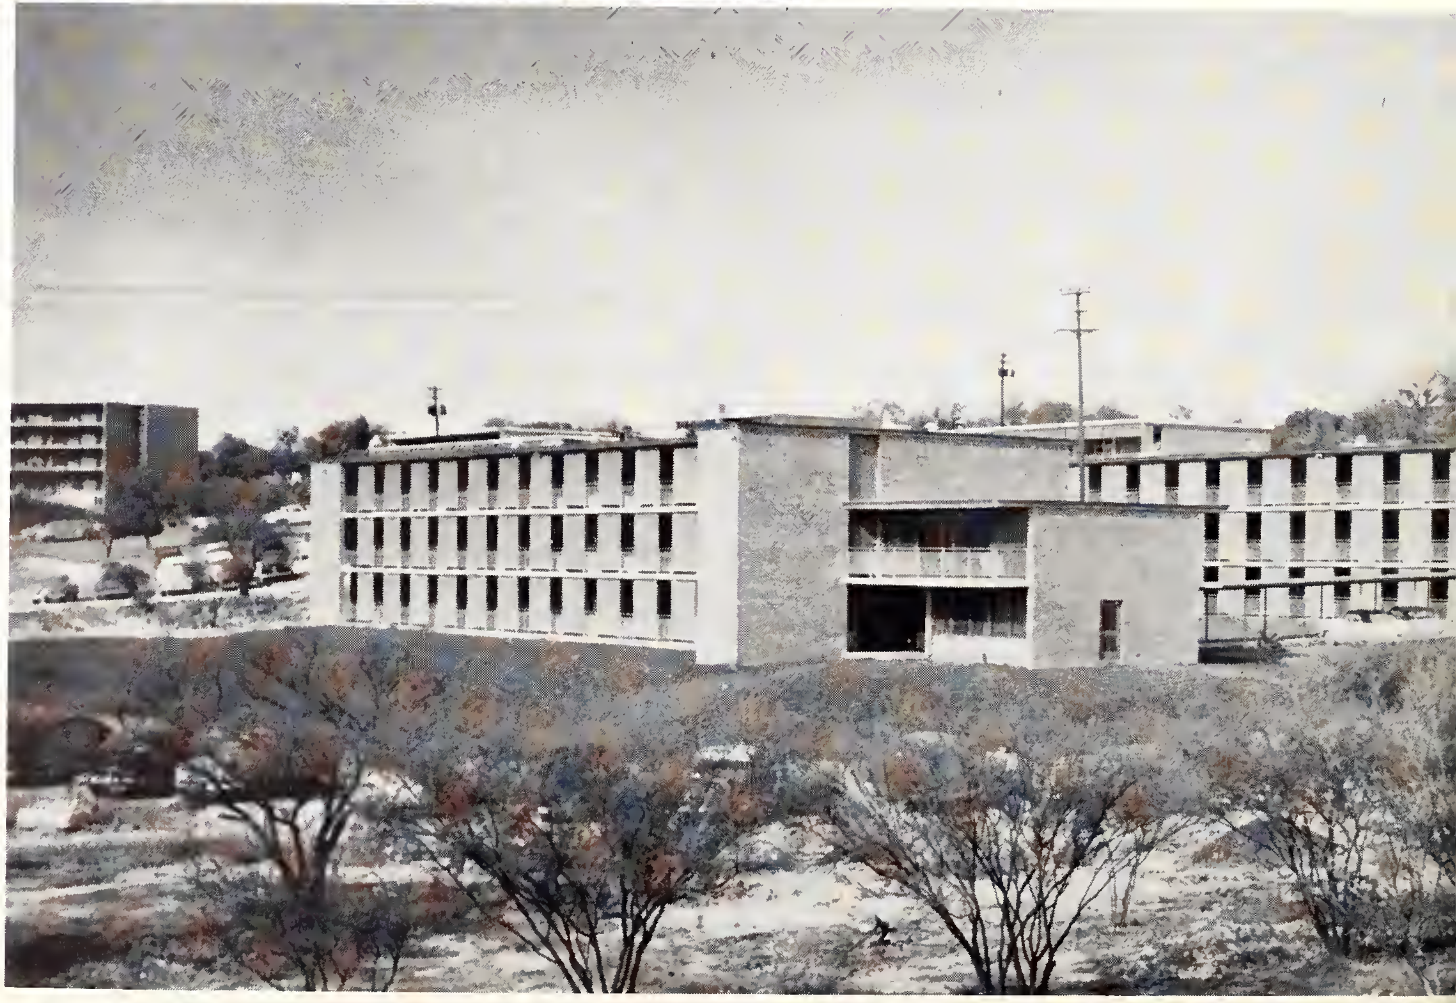


. . . but a "ten mile" hike from everything else.

MEN'S NEW

Men's New Dormitory, a handsome functional dormitory designed for comfortable living, is divided into North Hall and South Hall. These two three story wings accommodate 150 male residents.

A study in perspective . . .



. . . still at the pioneering stage.

DORMITORY

Surrounded on all sides by chalky cliffs this dormitory sets at the lowest point of the campus. Louvers protect the balconies from glare and sun and assure privacy from traffic on the adjacent drive.

Peering over the balcony . . .

. . . at acres of undeveloped campus.

MURCHISON DORMITORY

The John W. Murchison Dormitory was the first one built on the campus. Its two wings of two stories each provide living quarters for 60 students. Each room is divided into a sleeping area and a study area by a bamboo curtain. The wings are separated by a lounge which provides another outstanding view of the skyline of the city.

Outdoor entrances on long balconies . . .

. . . with benches for evening gab fests.

PRESIDENT'S HOME

On the adjoining street is the President's Home. Provided by the university for its top administrator and his family, the house is built along the same style as the buildings on campus.

In the midst of a "Texas" forest.

BARBECUE PIT

The Barbecue Pit was built by members of the home building department to provide a place for student groups to have parties and meetings. It is located on the west end of the P.E. slab, which can be used for dancing and games at the get-togethers.

Plenty of food for everyone.

DORMITORY INTERIORS

As nice as the room back home . . .

. . . after the personal touch has been added . . .

. . . with a gathering place for friends.

ADMINISTRATION

. . . soon I learned to identify the
"big cats," . . .

PRESIDENT'S PAGE

JAMES WOODIN LAURIE
President of the University

This is the year of the "Pioneer Class of '56."

I feel particularly close to those of you who are receiving degrees from Trinity University this year. You are the first Trinitonians whom I have known personally from the very beginning of your freshman year through graduation. You are also the first class to spend four complete undergraduate years on Trinity Hill.

Not many of you were enrolled here on that memorable day of May 13, 1952, when students and faculty members assisted in moving Trinity from the Woodlawn Campus to the present site. Most of the Pioneer Class joined the Trinity family the following September.

But during the semesters that followed, you helped write one of the most exciting "Tiger Tales" in the long history of Trinity. When you arrived, we had a beginning campus of three buildings, surrounded by rocks, cacti, mud, and a few spots of undernourished greenery. Over four short years, your University developed almost miraculously into a handsome array of sixteen modern, functional buildings, beautifully landscaped.

In a very real sense, "America's most modern university campus" is a tribute to the Cooperation, the patience, and the understanding of the members of your Pioneer Class. Trinity's trustees and administrative officials will always remember the wonderful spirit with which you adjusted to the unusual problems that followed activation of the Skyline Campus.

As you know by now, from close association with a great and growing University, the operation of an educational establishment is no small task. Your warm and friendly attitude has tempered our moments of discouragement. Your accomplishments have inspired an acceleration of support from friends of Trinity everywhere.

Your University salutes the "Pioneer Class of '56," and commends you as an example to all who follow you into the halls of Trinity.

DEANS

MARION BRUCE THOMAS
Dean of the University

Dr. Bruce Thomas came to Trinity as Dean of the University in 1947. From August, 1950, to December, 1951, he served as Acting President.

An Alabaman, Dr. Thomas received the Bachelor of Arts degree in 1931 and the Master of Arts degree the following year with a major in English from the University of North Carolina. While teaching at Vanderbilt, he worked on a Doctor's degree in English, completing his requirements in 1939.

Dean Thomas was Dean of Brenau College from 1945 to 1947, following a tour of duty as field director with the American Red Cross with the Fifth Marine Division in the Pacific. He had been Chairman of the department of English at Brenau from 1939 to 1942.

Jabe L. Bostwick, former vice president of the National Association of Deans and Advisors of Men, assumed his duties as Dean of Student Life in April, 1955.

His experience as a dean and counselor spans 26 years and includes assignments at the University of Minnesota, the University of New Mexico, serving for two years as a lieutenant in the U. S. Navy, first as education officer in the Navy V-12 program at the University of Michigan, and then as commanding officer of the V-12 program at Whitman College, Walla Walla, Washington.

Dean Bostwick, a native of Seville, Ohio, first attended Denison University, Granville, Ohio. He received a bachelor's degree in geology from Wooster College, Ohio, in 1927, and a year later earned his master's in geography and physiography from Columbia University. He has completed a year and a half of study toward the doctorate at Harvard University.

JABE L. BOSTWICK
Dean of Student Life

ADMINISTRATIVE OFFICIALS

Mrs. Higgins came to Trinity University in September of 1949 to take over the position as Dean of Women.

Born in California, she received her B.A. degree in 1948 from Stanford University and her M.A. degree in 1949 from the same university.

Mrs. Higgins served in the Waves from 1943 to 1945.

VIVIAN HARPER HIGGINS

SENIORS

The "Pioneer Class of '56" has at last reached the end of its college career. The class members have really pioneered with Trinity for they remember fish schools, an "Evening in Paris," Grande Courts and Damon's "food," Onderdonk Hall, muddy paths, the glorious plans for the "saucer," the English Inn, biology labs in the Ad Building, the Dragnet Prophecy, and President Laurie's inauguration. They saw the opening of the coffee shop, the beginning of the home building department, the start of a classical languages major, and the construction of all but three of the buildings on the Trinity Hill. They can recall seeing Guenther Park take shape, grown trees suddenly appearing around the campus, and the Library gardens developing from a wilderness. They opened the school social season this year with a gay Circus dance. The seniors have truly grown with Trinity.

JUNIORS

The Juniors of Trinity climbed another step closer to their goals this year, and left behind accomplishments of service, leadership and social activities to be recalled with pride. For a Junior, club activities and responsibilities practically double before he can say, "no," and term themes must be "bigger and better." Yet, despite these obstacles, the Juniors produced an outstandingly clever entry of the Homecoming parade and sponsored the traditional Junior-Senior Banquet and Prom to honor their immediate predecessors and to celebrate their own soon-to-be-fulfilled attainment of the classification of senior. They are rightfully proud to be so near the beginning of the end.

SOPHOMORES

The class of '58 returned to Trinity this fall as a cooperative working unit after a year of practicing team work while freshmen. They were immediately charged with the great responsibility of assisting the newest members of Trinity family to feel a sense of belonging. Through helpful hints, personal sympathy, understanding, and much diligent planning of an active, varied program the mission was accomplished successfully. These proud new upperclassmen then united their talents to produce a Homecoming float, and a month later, a real old-fashioned Christmas dance for the school. Throughout the year the Sophomores have lent their individual services as active club members and officers, but most important, these people crystalized plans for the future and established lifetime goals toward which they began to work in earnest.

FRESHMEN

This year's freshmen filled the skyline campus to overflowing with one of the largest class enrollments in Trinity's history. The group showed enthusiasm and school spirit even before they donned the traditional Freshman beanies and became the guinea pigs for a new type of orientation program. Within a few weeks the Class of '59 displayed its many talented members and organizational ability by entertaining the upperclassmen with a talent show. A vigorous campaign for class officers showed a willing spirit and indicated a vast source for future campus leadership. This energy continued throughout the year as was evidenced by a Homecoming float, an all-school dance in the spring, and last, but certainly not least, lots of serious studying.

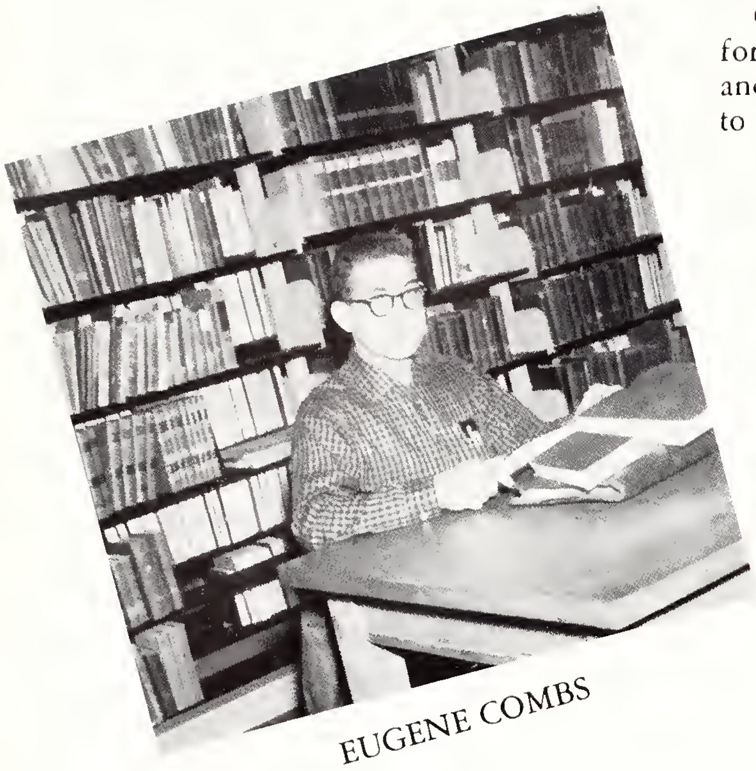
NANCY TERRY

WHO'S WHO



EUGENE COMBS

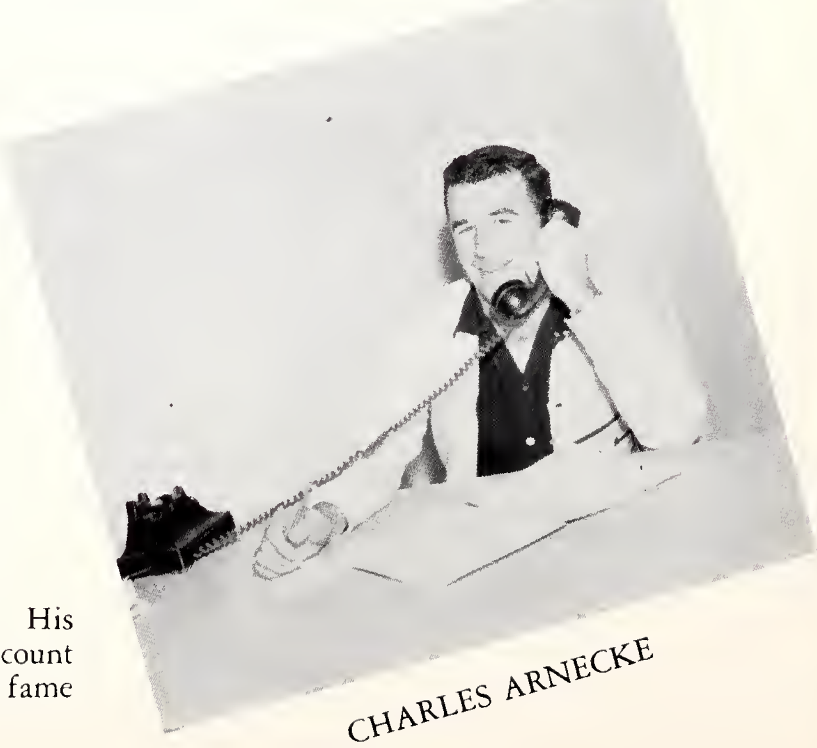
Gene is a good-natured fellow with a friendly greeting for everyone. He quickly makes friends with newcomers and seems to solve many of our problems by just listening to them and expressing a warm paternal sympathy.

GEORGE KUYKENDALL

George's pleasing voice and handsome features are his most immediately outstanding characteristics but his leadership abilities are soon discovered to be equally as prominent so advantage is taken of his good nature to work him often.

LAWANNA TAYLOR

Vivacious Lawanna came to Trinity as a junior and soon won a special place in everyone's heart. Her lovable ways made her a favorite and her enthusiasm gave us another hard worker who is called upon to help with almost every endeavor.

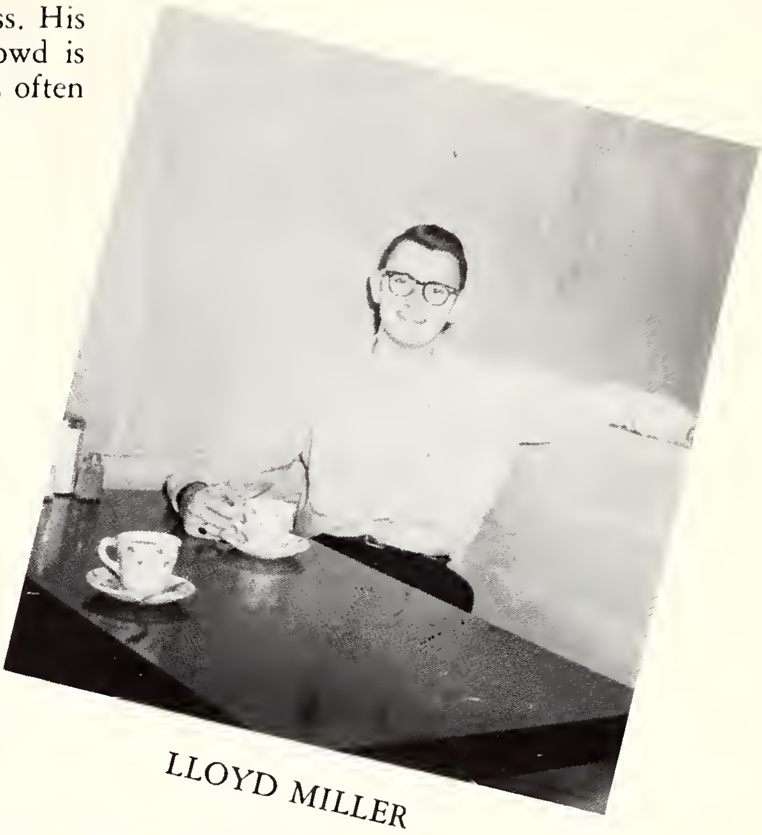


CHARLES ARNECKE

Charlie is a good-looking guy from Kerrville. His friendly "hello" is genuine and sincere, which may account for his great popularity as a person in addition to his fame as a football hero.

WHO'S WHO

Lloyd is a hard working leader of the Pioneer Class. His calm presence is reassuring when the rest of the crowd is in a dither, and because of his cool use of logic he is often asked for help.



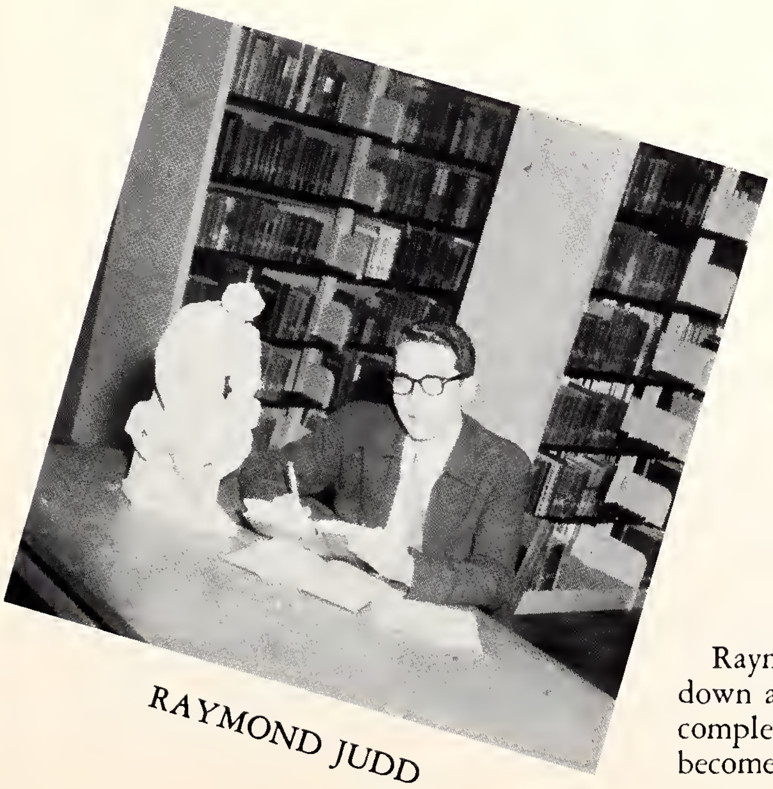
LLOYD MILLER

CHARLES HARWELL

Coming to Trinity in his freshman year from Athens, Texas, Charlie has been active in many school functions since then. Perhaps his friendly grin is most often seen behind the counter of the bookstore where he works, but he is always available whenever a helping hand is needed.

Margaret is that lovable girl with the helping hand that calmly finds its place everywhere it is needed. She has a smile for all of her fellow students. She knows the full meaning of responsibility in her many duties—classroom, social, and club.

MARGARET BENNETT



RAYMOND JUDD

Raymond is a school-spirited Texan who never turns down a request for his help. One can depend upon him to complete with perfection whatever he undertakes. He soon becomes a loyal, warm-hearted friend to everyone he meets.

WHO'S WHO

Kaye tackles the many undertakings she volunteers for with a mixture of personal charm and businesslike efficiency which seems to always spell out success. Kaye is also outstanding as one of our campus beauties.

KAYE ADKINS

JOAN CHATHAM

Joanie is a pert little gal from San Antonio. Friendly and interested in everything, Joan can often be found visiting with her friends, in the coffee shop, or helping "Pat" work out planned activities for the Student Union.

Trinity will always have special meaning for Dorothy and Sam for it was here they met and were married after their junior year. Dorothy shines like a sunbeam, both in her sincere interest in others and her brilliance as a student. Sam is equally outstanding as one of the friendliest, most helpful men on the campus.

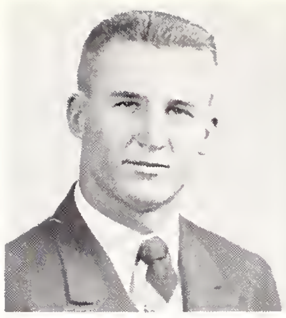
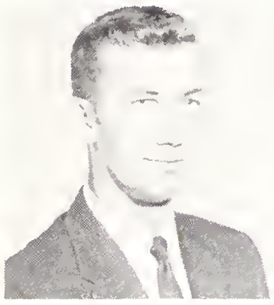
ABILENE CHRISTIAN CUTS TIGERS' WIN STREAK, 14 - 13

GIDEON

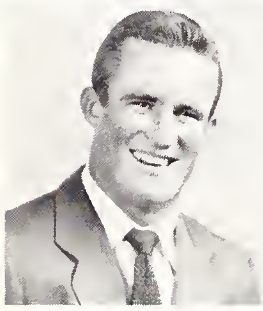


VALEK

SAWYER



WILLIAMS



ANDREWS

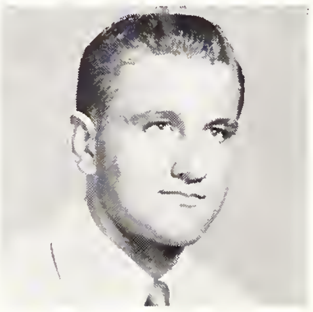
ABILENE, Sept. 17—Trinity's Skyline Tigers, looking for their 17th straight win and first triumph of the '55 season, got a rude setback at the hands of Abilene Christian, newest member of the Gulf Coast Conference, via a 14-13 score.

Trinity completely dominated the game except for extra-point booting, and that cost the Bengals the game. The San Antonians pushed into the lead in the second quarter with a 43-yard pass from Tony Valek finding halfback George Jageman waiting in the clear for a fast six points. Abilene Christian countered with some hi-jinks of their own with bare minutes left, and quarterback Leondous Fry pushed the final four yards for the tally. Fry then added the point to put Christian out in front.

In the closing seconds of the quarter, Trinity began a sustained drive into Wildcat territory, and with the clock marking time to the barked signals, fullback Mike Trcka broke off tackle for 15 yards and the TD. The point was missed and the Tigers led at halftime by 13-7.

After a stalemated third stanza, Christian began to move in the fourth, and with three variations of the split-T working for them, pushed ahead for their 14th point, with fullback Paul Goad adding the final 20 yards for the score. Fry added the fatal point that dropped Trinity's 16-game win streak down the drain.

The score wasn't the only entry on the debit side of the ledger for the Tigers. Midway in the fourth quarter halfback Bubba Hays was taken from the game with a broken ankle bone. Hays had been the Tigers' leading ground gainer of the night and was touted as Trinity's ace halfback of the season.



TRCKA

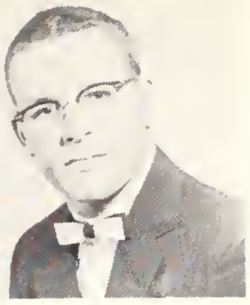
TRINITY TOPS MEMPHIS FOR ROUGH 6-0 VICTORY



HOLCOLM

MANSFIELD

MEMPHIS, TENN., Sept. 24—Trinity's terrific Tigers lived up to their advance billings against tough Memphis State, grinding out a rugged 6-0 thriller win over the Tennessee footballers at Crump Stadium.

Over 6000 spectators saw the favored Memphis Staters nearly run out of the stadium by Trinity's hard-charging backs as the Cats avenged an earlier loss to Abilene Christian. The Bengals controlled the ball game most of the way, but both sides threw up rock-ribbed defenses to cut down the rushing yardage.

The only score of the contest came at the climax of an 80-yard march midway in the final quarter, with Tiger fullback Mike Trcka pounding over from the one-inch line for the sole tally of the night. Trinity, although held down in the passing department by an unusual man-to-man pass defense set up by the Tennesseans, nevertheless showed awesome ground potential in rolling up 252 yards on the ground to only 124 for the home squadders. Completing six out of 17 aerials, the Cats compiled only 32 yards via the airlanes, as compared to 29 for State.

Defense was the keynote on both sides, with Trinity rolling to a lopsided advantage of 14 first downs to only five for Memphis, thanks to Melton Lord and some fine defensing, particularly in the Bengal forward wall.

Outstanding players on the Tiger ledger were fullback Mike Trcka, who racked up the sole tally of the game; George Jageman, the top rusher for the Skyliners with 57 yards on 10 carries; and quarterback Charlie Arnecke, who tossed four completions out of 13 attempts for 32 yards.

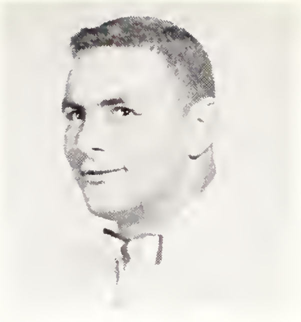
BENGALS RIP TEXAS A&I FOR 2ND BIG WIN, 34-O

DUECKER



BROWN

KINGSVILLE, Oct. 1—With LeeRoy moving along on all eight cylinders and halfback Odis Michalk playing before his hometown crowd, Trinity racked up its second straight win of the year, this over Texas A&I by a landslide 34-0 score.

With the Tigers' smashing ground game in high gear, the Bengals poured it on the hapless Javelinas, with five men making the scoring columns for the Bengals. Big Mike Trcka added to his point production with another six-pointer in the second quarter of the game after a stalemated first period. Tony Valek, sophomore passing wizard, pitched to senior wingman Allen Tanner for the second score of the period, connecting for a 36-yard aerial play and another six points.

Leading by two touchdowns at halftime, Trinity apparently figured to add to its lead, because they struck quickly for their third TD of the night. A&I quarterback Billy Davis faded to pass, pitched, and found Trinity halfback George Jageman waiting in place of the Jav receiver. Jageman threaded the chalk stripe down the sidelines for 65 yards and the tally, aided by tackle John Ferrara's bone-smashing block laid on the last Hog defender near the goal line.

The Bengals topped off their sterling performance with a pair of final curtain calls, one coming in the person of fullback Ken Shobe and a four-yard plunge early in the fourth quarter, and the finale of the night finding end Dan McCarty waiting for Wes Gideon's aerial in the end zone for the last point.

Dominating the game all the way, Trinity counted 24 firsts to A&I's nine, dashing for 250 yards to only 68 for the Hogs and passing for 144 more yards to 59 for A&I. The final product showed Trinity with a gigantic 394 yards total offense, holding the Hogs to 127 for the night.

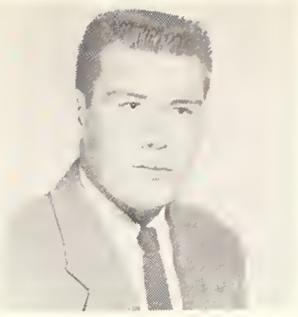
EAST TEXAS FALLS TO CATS IN FIRST HOME GAME, 35 - 20



PETTIGREW

SHOBE

SAN ANTONIO, Oct. 8—For the fourth time in as many weeks, Trinity's Tiger gridders smashed their opponents statistic-wise, this time dropping the boom on East Texas State by a 35-20 score in the Bengals' first home game of the year. However, the score didn't tell the story of a fighting band of Lions from Commerce-way that threw quite a scare into the Tigers in the third quarter before bowing under to superior manpower and a stubborn defense.

Trinity's maroon band of Bengals stormed to a four-touchdown lead in the first half, then had to hang on the ropes to fight off a stiff Lion rally which threatened to overcome the big deficit.

Once again it was big Mike Trcka who led the way, tallying the first Tiger TD and running up 78 yards on 15 carries to pace the backfield. Trcka hit pay dirt on a seven-yarder, Michalk romped 13 yards off-tackle, Chuck Mansfield hit the double-stripe for eight needed yards, and 6-6 wingman Milt Robichaux gathered in a Charlie Arnecke aerial and romped across with Lion safetyman Bobby Fox hanging around his shoulders for a 46-yard TD, for the Tigers' scores in the first half. Arnecke added three PATs and end Allen Tanner booted the other for a perfect four out of four record in the first two periods of play.

Then the roof fell in on the Tigers as the East Texans stormed back onto the field and tallied a trio of TDs to cut the Bengal lead to one touchdown. Fullback Jerry Lytle boomed 10 yards off-tackle for the first score, then Joe Blackwood fell on a blocked punt in the Cat end zone for the second tally less than two minutes after the first tally. A series of 15-yard penalties against Trinity put the Lions on the doorstep once again, and halfback Jerry Matthews knocked on the door, and it opened for six points. Tony Valek pushed the Tigers into a final lead with a clashing run over guard for the final touchdown.

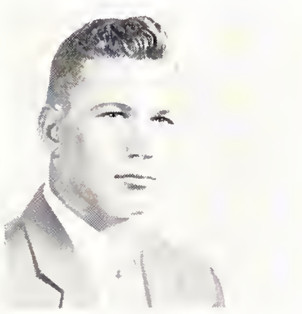
SKYLINERS SMASH SOUTHEASTERN LOUISIANA WITH CRUSHING GROUND GAME, 46-7

FITZGIBBONS



SCHRADER

WATSON

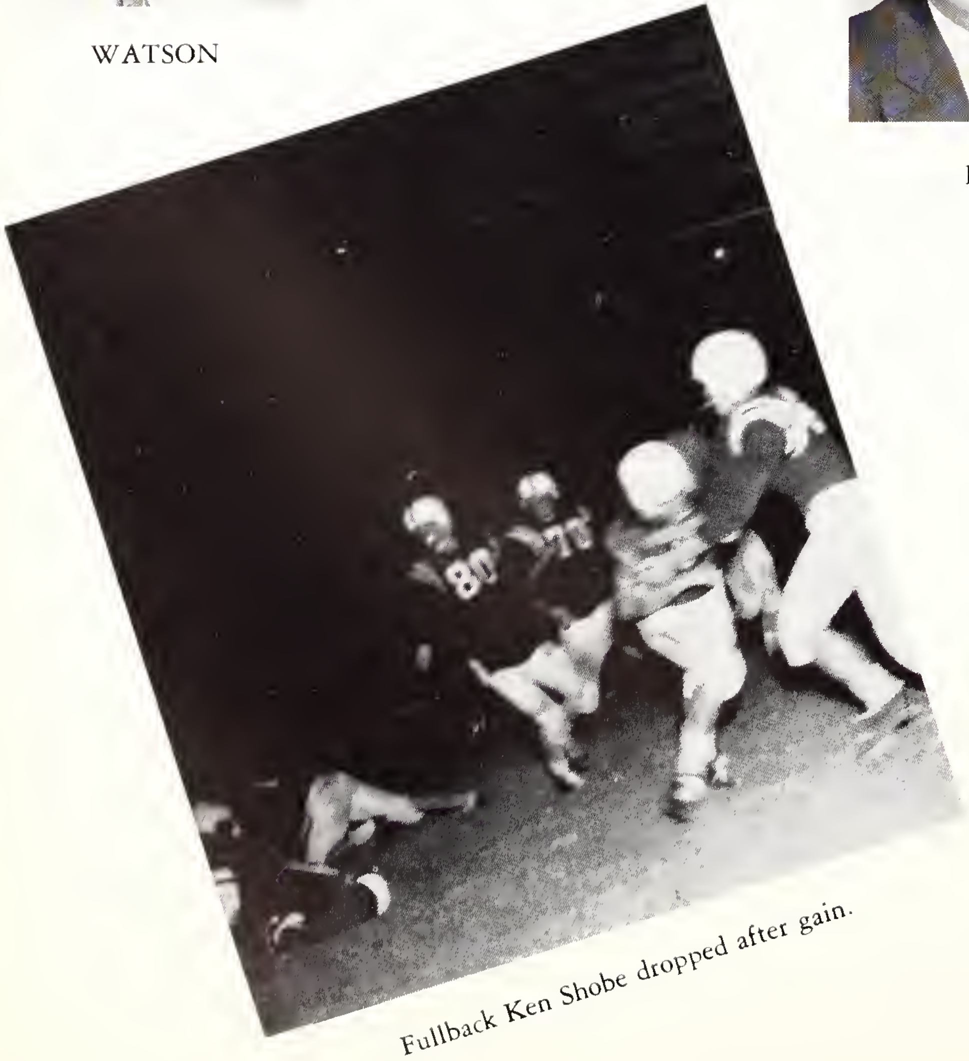
HAMMOND, LA., Oct. 29—Trinity's Tigers struck again, disregarding repeated threats of the Southeastern Louisiana Lions' power, and plowed for a lopsided 46-7 victory before a hometown crowd in the small college town of Hammond. Several thousand fans braved the weather to see the game, but warmed up considerably as the Tigers duplicated East Texas' record made against the Cats in their last game, by tallying three TDs in less than three minutes in the third quarter.

For the fifth time in as many games, fullback Mike Trcka struck for the opening TD, this time on a three-yard plunge over guard Bobby Beal's post for the initial tally. Then followed a prolonged series of Tiger track meets, interspersed only long enough for Southeastern to cross Trinity's goal line against the third-stringers in the fourth quarter, with halfback Bobby Dugash smashing the final trio of yards for the score.

Following Trcka in the scoring parade were fullback Ken Shobe, who knocked our eight final yards to score early in the second quarter to end the scoring for the first half. Both tries for point-after went wide.

Early in the third stanza quarterback Charlie Arnecke topped off a Tiger drive by hitting wingman Johnny Campbell for a six-pointer. Soon after the kickoff fullback John Dubose intercepted a Lion aerial and romped 35 yards to score. That opened the floodgates, and in stepped little Felix Kneuper, a soph halfback, who stole the show by racing for tallies of 36, one, and six yards. Two of Kneuper's TDs were set up by fumble recoveries made by ballhawking end Sammy Knox. Milt Robichaux, gigantic Tiger end, spent a pleasant evening camped in the Lions' backfield, breaking up many plays before they could get started. Defensing by guard Bobby Beal held Southeastern to only 141 yards on the ground.

BEAL



Fullback Ken Shobe dropped after gain.

BENGALS SNARE FIFTH STRAIGHT IN DROPPING MIDWESTERN, 38-6

SAN ANTONIO, Nov. 5—Trinity's air-minded Tigers followed the path of least resistance against Midwestern University in Alamo Stadium, bombing the hapless Indian defense for 303 aerial yards when the Kiowa defense stiffened, and grabbed a runaway 38-6 conference victory. Held to only 127 yards on the ground, Trinity's bombardiers zeroed in on eight lanky wingmen to gather the 303 yards through the air on 18 completions in 24 attempts.

After a scoreless first quarter, fullback Ken Shobe pushed over the final two yards for the initial score early in the second period. Trinity then used only three plays to score twice more before the halftime gun exploded. Quarterback Charlie Arnecke hit end Johnny Campbell for a 36-yard aerial maneuver and a first down on Midwestern's 15, then fullback Mike Trcka exploded over right tackle for the score. With one second remaining in the half, halfback Felix Kneuper intercepted a Jackie Weldon aerial and that was enough time for Tony Valek to fade and pitch a perfect strike to end Allen Tanner in the paydirt territory. Arnecke and Tanner split the conversion duty to leave the Bengals with a comfortable 20-0 halftime lead.

The Cats lost little time racking up their next tally, with an Arnecke pass going to Campbell standing all alone 30 yards away in the end zone for a TD. A recovered fumble added up to six points soon after, and Chuck Mansfield round third base for the tally.

Midwestern's air-heavy Indians finally caught fire, and tallied their only score of the afternoon on an aerial from Weldon to end David Greer. The TD marked the first time Trinity had been scored upon through the air in three years. Trinity hit again for a TD, with Roy Sawyer pitching to Ken Higginbotham to end it.

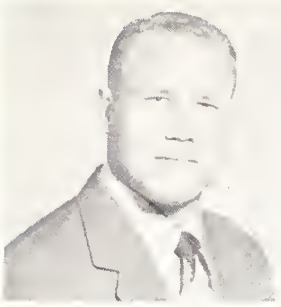
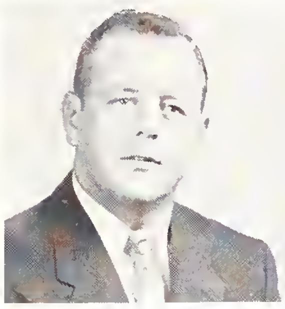
HARDIN - SIMMONS DROPS TRINITY DESPITE FINE DEFENSING, 14 - 6



HARDCASTLE



TOWNSEND

HALL

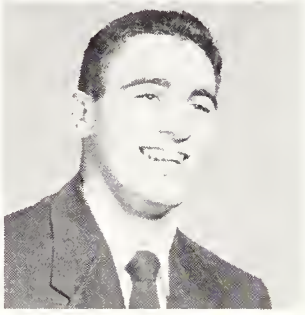
WILSON

SAN ANTONIO, Nov. 19—Hardin-Simmons, the old nemesis of Tiger football fortunes, struck again to down the Bengals by the widest loss margin in nearly four seasons of play. The Cowboys topped the injury-riddled Cats by a 14-6 score, and it was the old extra point that stopped the Tigers' win streak of five games.

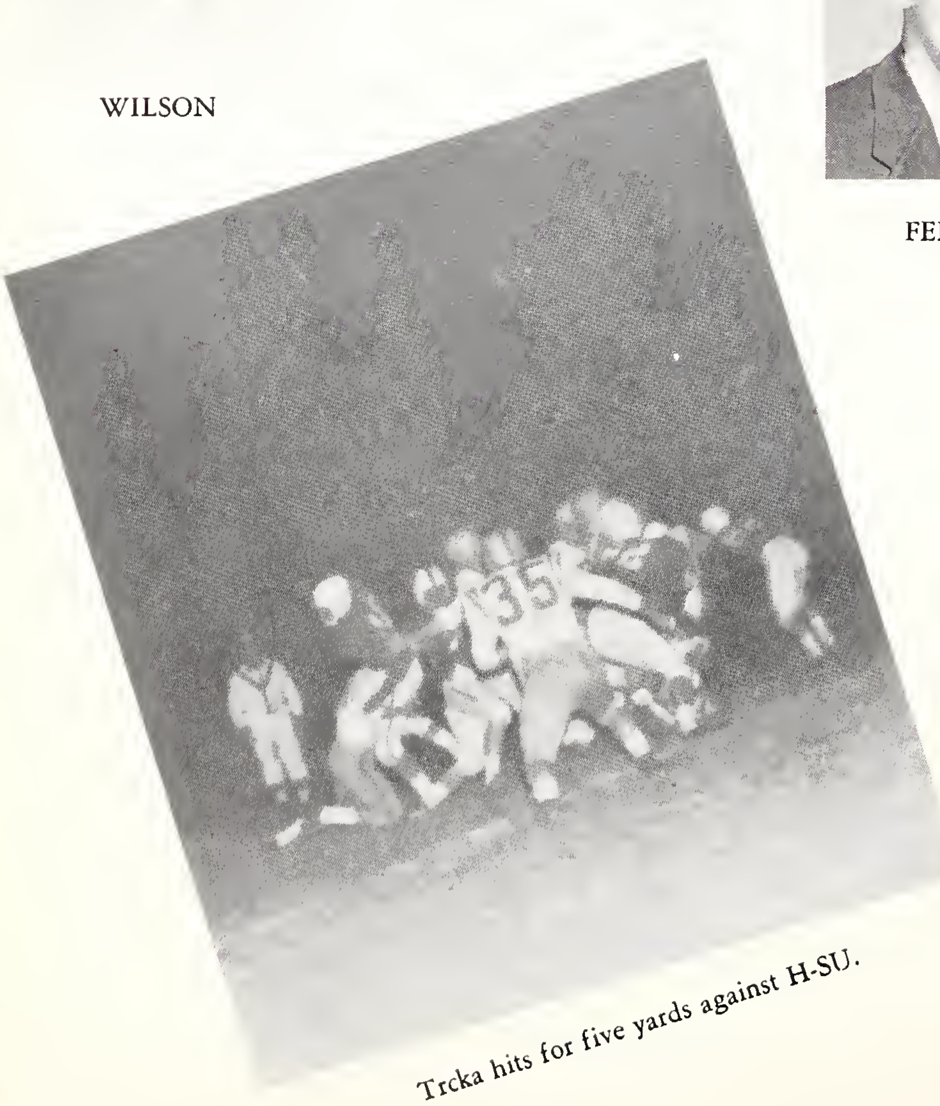
Trinity could do no right, and H-SU could do no wrong on the field. The Tigers captured the lead early in the first quarter when fullback Mike Trcka plunged the final two yards for the score after a 75-yard march downfield to paydirt. The drive was highlighted by tackle John Ferrara's fine field play and superior blocking. Quarterback Wes Gideon's extra-point try bounced back off the goalposts, and Trinity retained a 6-0 lead.

Little halfback Danny Villareal of Hardin-Simmons was the big gun for the Cowboys despite his size, as he tallied both 'Poke scores. He carried the Abilene Kids into a tie with the Tigers on a five-yarder off-tackle, climaxing a drive of 85 yards. Quarterback Joel Honeycutt booted the point, and the game might just as well have ended there. However, the diminutive Villareal wasn't through for the night, and he applied the clincher by breaking over tackle with just over seven minutes left to play and raced 80 yards past the entire Tiger defensive squad for the topper. Marshall Doke added the point, and that was the game.

Trinity was hampered during the second half by a rock-ribbed Cowboy defense, and a pass pattern that was nearly as effective. The Cats couldn't gain a yard over the ground in the entire second half, and made little more over the airwaves. For the first time all season the Bengals were outgained on the ground, gaining 119 yards against 228 for the Cowboys.



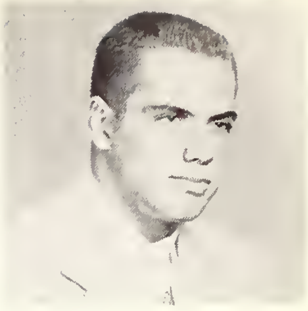
FERRARA



Trcka hits for five yards against H-SU.

Chuck Mansfield slices past Poke's trap.

TRINITY LOSES TO TEXAS WESTERN IN RETURN GRUDGE MATCH, 14-13



HOWELL

SAN ANTONIO, Nov. 25—The old extra-point jinx struck again as the Tigers dropped their third game of the year, this time to the powerful Texas Western Miners by a 14-13 score. Although outgained over the airlines for the first time all season, the Bengals were nevertheless a threatening team all the way, grinding out 243 yards over the turf against only 104 for the Miners.

Texas Western broke into a 7-0 lead in the second quarter on a final two-yard spurt up the middle by Jim Bevers, a slashing halfback, to cap off a 79-yard drive. Quarterback Jesse Whittendon booted the point to give the Miners a 7-0 working margin.

Trinity, stalled in three previous drives inside the Miner 20, broke open the second half and, led by Little All-American center Duke Cook's vicious blocking, carried 73 sizzling yards in 14 plays with Chuck Mansfield taking a pitchout from Charlie Arnecke for the score. Arnecke added the point to deadlock the struggle.

The fatal tally by the Miners came as a result of a desperation fourth down running attempt deep in Tiger territory by the Cats. The Westerners took over on Trinity's 25, and Whittendon took the full four plays to toss a 25-yarder to end Dick Forrest for the breaking score. Whittendon added his second point of the day, and the Miners were away to their win.

With Tony Valek calling the signals, Trinity utilized the remaining eight minutes to rack up their second score. Moving fast to cover 69 yards in 10 plays, Trinity pushed across for its last TD on a freak play, which saw Valek pitching out to Mansfield. Mansfield fumbled on the two, and the ball bounced into the end zone where Valek, who had been trailing the play after the pitchout, fell on the loose pigskin for the marker. Hugh Harman blocked the PAT try.

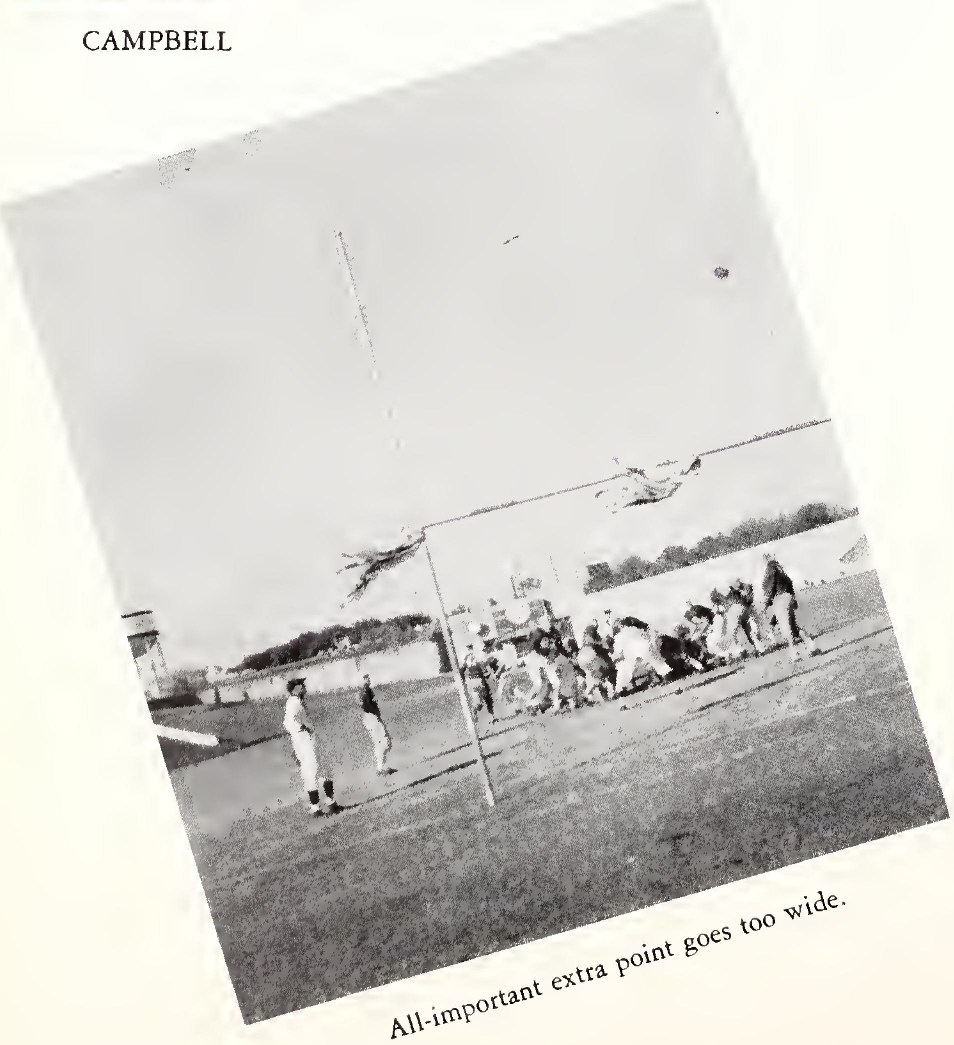
TIGERS END SEASON ON 5-4 MARK, LOSING FINALE TO NORTH TEXAS, 7-6

SAN ANTONIO, Dec. 3—Once again the all-important extra point stopped the Tigers' vaunted offensive might, this time costing the Cats their tie for the Gulf Coast Conference championship as they dropped a close 7-6 contest to North Texas State's Eagles.

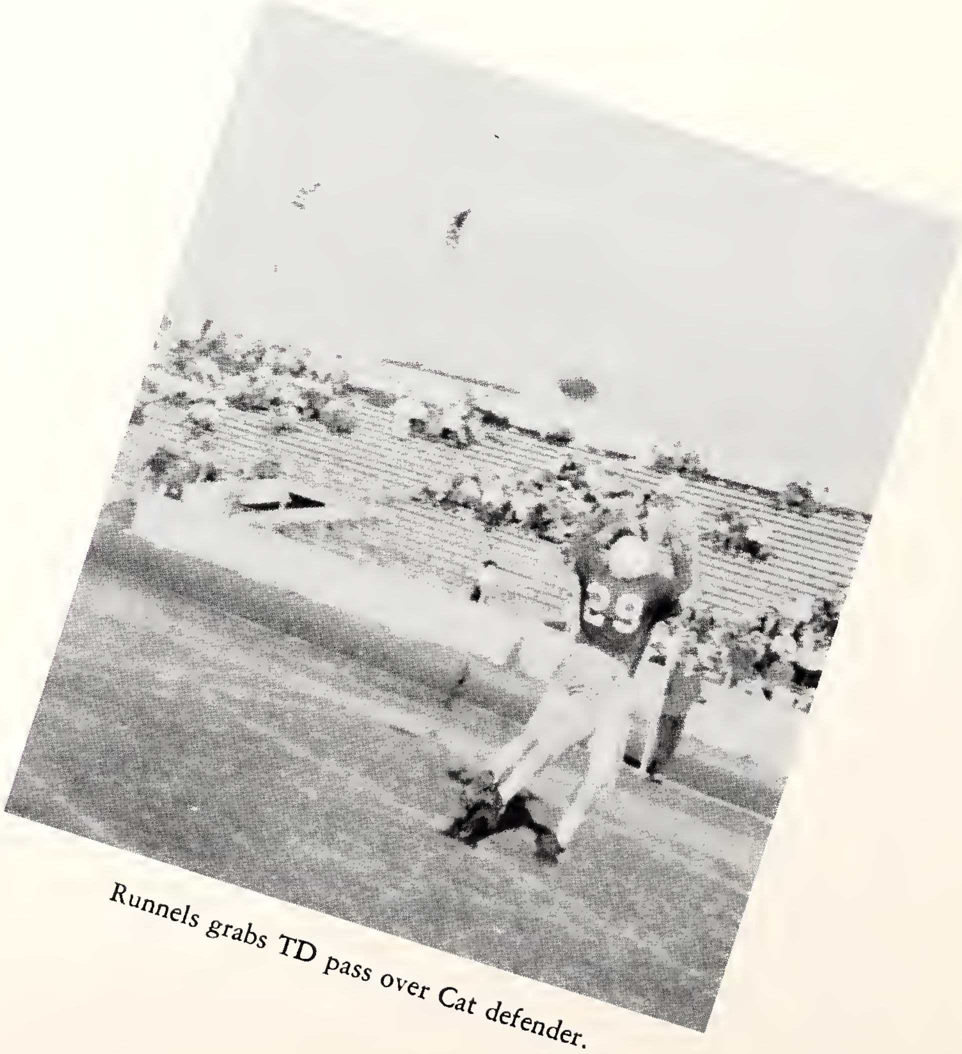
The Tigers outgained the grounded Eagles all the way around, racking up wide margins in every department except scoring. The Cats clawed for 215 yards over the grasslands, and added 79 more yards through the air. The Birds could get only 127 yards on the ground, and 64 through the air to compete with the Bengals. Trinity had 15 first downs to only nine for North Texas, and completed 11 of 27 aerials during the game.

With just six minutes left to play in the opening stanza, North Texas' Little All-American quarterback Don Baker faded to pass and heaved a touchdown aerial to Ben Boehnke, who grabbed the ball falling into the paydirt area after it had been batted into the air by a Tiger defender. The weird play netted the Eagles 27 yards and a fast seven points on the scoreboard, after Baker had booted the point.

When Big Mike Trcka, Trinity's number one fullback, couldn't get going on the damp turf, Coach W. A. McElreath sent soph fullback Ken Shobe in to fill the breach. It was Shobe who turned the tide and tallied the Tigers' lone TD, breaking loose and scampering 27 yards for the touchdown, refusing to fall to the desperate tackle attempts of at least a trio of Eagle defenders. Charlie Arnecke's all-important try for point went wide of the mark, and Trinity had lost its fourth game of the season, three of them by one point. Ironically, Trinity had lost but five games since 1953's season began, and four of those losses had been by one point—the extra point.



All-important extra point goes too wide.



Runnels grabs TD pass over Cat defender.

TOM (CHUNKY) FRAZIER

MILTON ROBICHAUX

ROGER TATSCH

Trinity University's basketball team didn't fare so well during the 1955-56 season, winning only five while dropping eighteen.

Gulf Coast Conference play saw the Tigers finish in a tie with North Texas State for the cellar, sporting a 1-5 conference record. The bright spot was upsetting North Texas in San Antonio.

St. Mary's University, crosstown rival, fell to the Bengals on the Tiger court but bounced back to cop a thriller on their own court. For the third year in a row the Cats and the Rattlers have split, sharing the mythical city championship.

Nearby rival, Texas Lutheran, fell to Trinity on the San Antonio court but topped the Tigers in Seguin.

The Tigers still had the problem of having no gym and having to play their home games on the Alamo Heights High School floor. Actually, they were on a strange court every time they played.

Milton Robichaux, gigantic center, and Chunky Frazier, forward, turned in the season's individual game scoring records with Frazier hitting 29 against North Texas in San Antonio and Robichaux netting 30 points in the final game of the season against Abilene Christian.

The ball handling of Don Norris, Bob Woodward, and Roger Tatsch, plus the forward work of Frazier and Cecil Holloway and the rebounding of Robicháux and Carson Coleman made the Cats a threat in every game.

Frazier drives against St. Mary's.

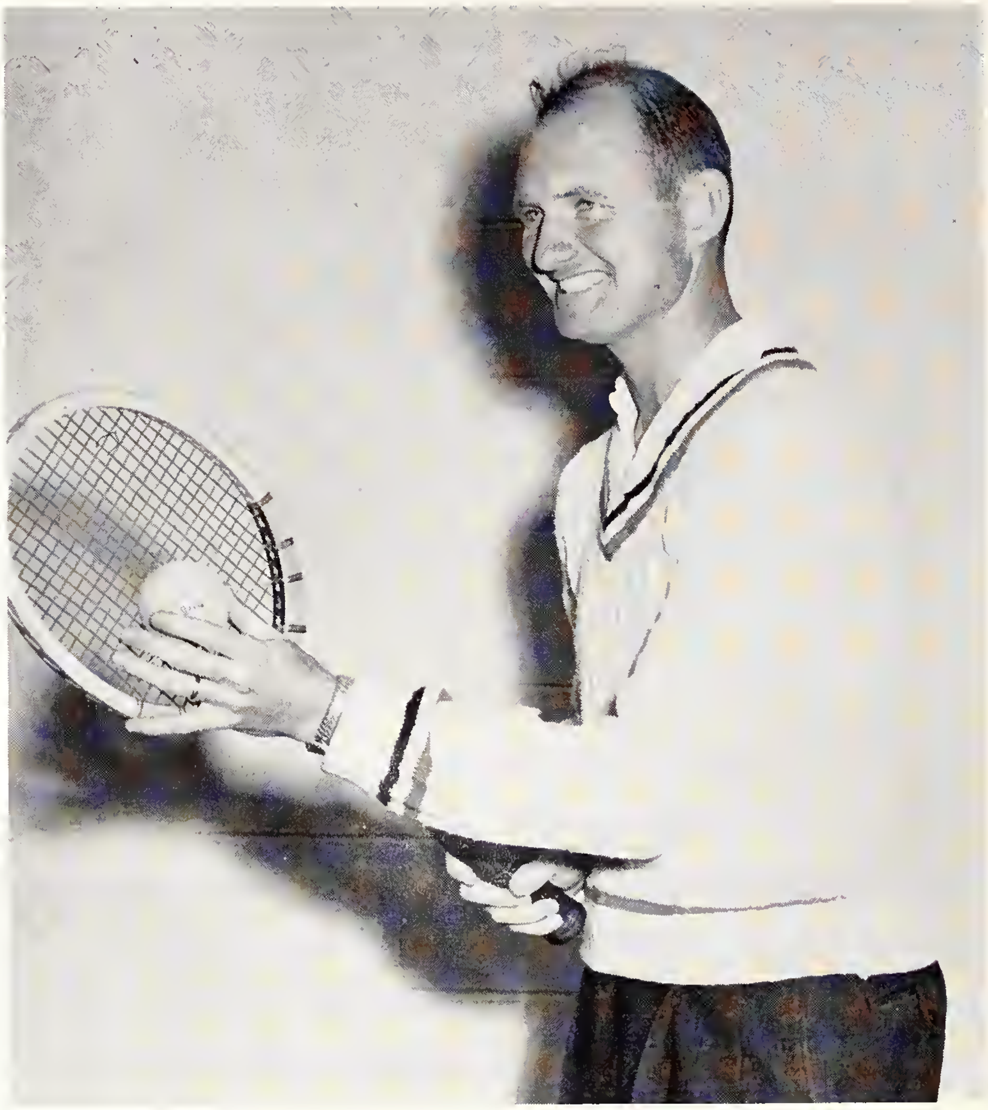
COACH

Clarence Mabry was added to the Trinity coaching staff this year as head tennis coach. Mabry, a tennis professional, is also city tennis director.

At the age of 11 he won his first tournament in Alice and at 13 he took the state championship.

Mabry has won all the Texas state tennis titles including the interscholastic Texas Amateur Athletic Federation title. Besides the Texas titles, Mabry won state championships in New York, Pennsylvania, New Jersey, Mississippi, Oklahoma, Ohio, and Illinois.

He made the "Eastern Circuit" three times, competing with such players as Jack Kramer, Pancho Gonzales, and Vic Sexies.



CLARENCE MABRY

Tiger netters opened the tennis season with a 4-3 victory over Southwest Texas State College in San Marcos March 16, taking three singles matches and one doubles. In the next competition Lackland Air Force Base edged the boys 4-3, though Trinity took the top three matches.

The Women's Recreation Association sponsored the second annual Intercollegiate Women's Invitational Tournament March 23 and 24 at the San Pedro Courts. Marilyn Montgomery retained her singles championship in the tourney over players from nine other schools.

The men brought home honors in the next two meets, defeating San Angelo College 3-0, then following up with a 2-1 victory over Sul Ross. Trinity took one singles and two doubles in the San Angelo match and one of each against the Lobos.

Also on the team schedule were Victoria Junior College, Odessa Junior College, and Texas Lutheran College.

This year marks Trinity's real entrance into intercollegiate tennis competition. With the addition of a new coach Trinity's hopes of developing tennis into a major sport on the campus have soared.

GOLF

BILL SNEED

COACH

Though Bill Sneed is new as a golf coach—this is his first year—he is not new to the Trinity athletic department. Since 1953 he has been trainer for the various Tiger teams.

His trainer experience began in 1947 at Litte Rock, Arkansas, his home town, where he helped the Junior College elevens to the 1949 championship, and to the Little Rose Bowl at Pasadena. He also worked with the Little Rock Travelers, AA Pro Club, and the Air Force in the Far East.

Golf is his hobby and his ability as a trainer makes him doubly useful as a golf coach.

Besides these athletic duties Bill is one of the counselors in the Mens' New Dormitory.

Hampered by the loss of four lettermen, the Tiger golfers started the '56 season with a 9-0 loss to North Texas State on the "home" course at Oak Hills Country Club March 7.

Playing next in the Border Olympics March 9 and 10, the Trinity linksmen took eighth place with a 36-hole total of 634.

March 14 saw the Tigers journeying to Waco where they suffered another defeat. This time to the Baylor teemen by a score of 6-0.

Next on the Tiger schedule was a trip to T.C.U. on March 15, where they dropped another decision 6-0; followed by a return match March 21 with Baylor, losing again to the Bears 4-2.

It was hard driving and keen putting that netted the Bengals their first win on the links March 28 when they trounced the St. Mary's Rattlers 7-0 in an inter-city match.

April 12 the linksmen met Texas Wesleyan in San Antonio and took the match 6-0. They followed up the next day against Southwest Texas State, splitting the match 3-3. In the return bout with the Cats April 19 the San Marcos four handed Trinity a 7-4 defeat. The Tigers ended the season April 27 against North Texas State in Denton.

STUDENT COUNCIL

The Student Council is the executive branch of the Associated Students of Trinity University. One of its duties is to appoint standing committees such as the Assembly committee, Advertising committee, Calendar committee, and Election committee and to direct the activities of these committees. The Council also handles the distribution and expenditure of all student funds; publishes the student handbook, the MORES, and also the student activity book for the year of their tenure of office; and carries out the provisions of the constitution and by-laws. The Council had a busy year trying to handle arrangements for the tiger mascot, Lee Roy; plan and direct the activities of the annual Homecoming celebration; arrange for the school-sponsored, out-of-town football game; and organize the annual Founder's Day celebration. The Council also sponsors such social affairs in the Student Union as student-faculty coffees and assemblies. The group gets together every week to "hash out" its new problems and to report on the successful solution of others.

Student Court is the judicial body of the Associated Students of Trinity University. This group of law enforcers has jurisdiction over all cases involving student discipline and honor, student violations of the constitution, and cases of impeaching student officers. Six members comprise this group, including two members of the senior class, two juniors, and one sophomore class member. Meetings are held only when a case is sent to the Court or when the justices deem a meeting necessary.

STUDENT SENATE

The Student Senate is the legislative branch of the student government, empowered by Trinity's constitution to make all laws governing the Associated Students, except those laws which appropriate money. The Speaker and eight other senators are elected from the student body; the other four members are the class presidents. The Senate cordially invites students to come to any of its weekly meetings, for its purpose is to be of service to the students.

Alpha Lambda Delta is distinctive as one of Trinity's three national honor organizations. Membership is limited to freshman and sophomore women who attain a 2.5 grade point average, or better, during their first semester in college. Trinity's chapter endeavors to uphold the purposes of promoting intelligent living and a high standard of learning, and to encourage superior scholastic attainment among the freshman women. A paper drive was held this year to make money. Also, this organization worked with Blue Key to form the men's national honor fraternity which corresponds to Alpha Lambda Delta. Business is conducted at the monthly dinner meetings.

ALPHA PHI OMEGA

Delta Pi Chapter of A. P. O. aims to assemble college men in the fellowship of the Boy Scout's oath and law. It is one of the "live-wire" groups on the campus—especially around the time of Student Officer elections. It sponsors the Beard Growing contest, Ugly Man contest, and the Gal and Calico Dance as part of Founder's Day and its pledges work on a worthwhile project. Meetings are held twice a month at which the club discusses ways of serving student body, faculty, youth, community, nation, and fraternity brothers.

BENGAL

The fancy-stepping Trinity University Bengal Band makes all Trinity proud when it goes marching by. Our band is organized to provide educational experiences for future band direction, to represent the University at various events, and to stimulate school spirit. This group works tirelessly, three or four times a week, perfecting their skill and showmanship. Members are students taking band as a credit course. Activities of the Trinity University Bengal Band were numerous this year. The Band led pep parades and provided a vivid splash of color and half-time entertainment at football games. Concerts were given at many high schools in the San Antonio area. The band served as host to twelve out-of-town bands during the Homecoming celebration. Band members also participated in different civic functions, presented the annual Moonlight Serenade and Dance for the student body, and held their annual picnic in May.

BENGAL LANCERS

The Lancers offer the only opportunity on the campus for freshman men to belong to a social and service club. New members are chosen by Bengal Lancers of the previous year. In this way entering freshmen quickly capture the spirit of their new school. Meetings are held twice a month. The club promotes worthwhile projects for the benefit of the student body, sponsors a float in the Homecoming Parade, a candidate for Homecoming Queen, and a booth at Founder's Day.

BIOS CLUB

Trinity's biology department sponsors the Bios Club in order to bind together the students having a special interest in bugs, bones, botany, and other biological subjects. Prominent doctors and experts from such fields as health, wildlife, and sanitation speak at the monthly meetings. The club sponsors an annual picnic and this year made a field trip to the Southwest Research Foundation. The Homecoming float for the club this year featured two skeletons riding the convertible as officers of the group.

BLUE KEY

Blue Key is a service club containing some of the campus's finest male leaders. These "big-wigs" are junior and senior men elected on a leadership and scholarship basis. Endeavoring to act in close harmony with the administration in promoting improvements in college activities and fostering enterprises for the general welfare of the student body is a big job which Blue Key ably manages. The members "meet and eat" at their monthly meetings and sponsor a spring and fall picnic each year.

CHURCH VOCATIONS FELLOWSHIP

Church Vocations Fellowship is composed of our students who are preparing to be full time leaders in the church. Thus, a great deal of conscientious planning goes into its numerous activities so that members may profit from them as they prepare for their vocation. A great contribution to the religious life of the campus is provided by the C.V.F.'s sponsorship of the daily Upper Room services. Other activities include an annual spring retreat and bi-monthly meetings with programs of speakers, study discussions, and trips to churches.

DELTA KAPPA PHI

Delta Kappa Phi, one of the very active social and service clubs, has a long history of campus leadership. First organized in 1931, it is the oldest organization for women on the campus. The membership, limited to twenty-five, is invitational. The "Deltas" work to promote loyalty, honor, and friendship on the campus. Two of the major social activities of this organization––the Carnation Ball in December and Carnation Capers, an all-school style show and dance—use the motif of the club's flower, the white carnation, for decorations. A Friendship Coffee is sponsored for all Trinity women in May. Their service projects include the assistance of the Gray Ladies in Brooke Army Hospital, collection of teaching aids for the Mission Road School for Exceptional Children and of clothing for a European orphan.

DRILL TEAM

The Trinity University R.O.T.C. Drill Team organized as a new service club this year with an initial membership of thirty-four. One unusual feature of this club's organization is its substitution of men with military rank for the usual elected officers to fill the leadership positions. This school-spirited group unselfishly put in hours of fatiguing practices to present public performances of skill and precision. An unusual half-time performance was only one of the "Khaki Klub's" activities this year. In addition they marched in several parades, guarded Lee Roy at all of our football games and shared in the sponsoring of a Homecoming Queen candidate.

INTERNATIONAL STUDENTS' ORGANIZATION

The International Students' Organization was created this year to extend a very valuable service to our campus by fostering closer relations among foreign and American students. This organization begins to help new foreign students when they apply for admission by showing them around the campus and explaining the American students' way of life. The International Students' Organization encourages the foreign students' participation in social activities and helps to educate American students about foreign customs. Occasionally at their weekly activity a talk is given about one of their countries.

KAMPUS KUBS

This group of eager beavers comprise the Kampus Kubs, a social and service club designed to promote friendship among the freshman and sophomore women. The Kubs include in their program the promotion of interest in campus activities as well as within the club. They want to undertake service projects that will help the campus, community, administration, faculty and students. This year the organization helped in the sale of Homecoming buttons, entered a float in the Homecoming parade, and assisted the Red Cross as hostesses at a Fort Sam Houston Service Club. Unique among Trinity's clubs, the Kubs have their election of new officers at the end of the fall semester so that the retiring officers may assist the new ones in their duties. This year's installation banquet was a Valentine party.

KAPPA IOTA CHI

Kappa Iota Chi, better known as the Homebuilder's Club, is a departmental club organized to band together those students in the department. Meetings are held twice a month with speakers in the field showing films and exhibits of material of all types. This year it sponsored the winning Homecoming Queen candidate, entered a novel float in the Homecoming Parade, initiated the Turkey Trot Dance, built Trinity's float in the Fiesta Parade, and had a booth at the San Antonio Home Show. With the help of local San Antonio contractors, the Homebuilding students designed the Home Economics Cottage, which is being built in co-operation with the Homebuilding Department, the San Antonio Homebuilders Association and various building material supply companies.

PAN AMERICAN CLUB

Trinity University's Pan American Club helps activate on the campus our interest in Latin-American culture. It does this by participating in Pan American and Latin-American affairs and celebrations in San Antonio, and by social functions and informal discussions at the bi-monthly meetings. This year the Pan Americans had a Christmas dinner, a spring installation-initiation banquet for the members, an initiation party, and the all-school Pan American Ball held in April.

PRESS CLUB

The Press Club was organized to provide informal fellowship and entertainment for the students working on the two publications, but is also open to any students interested in journalism. This group seems to find fun in whatever it does. It supports school functions and stimulates an exchange of ideas and interest in journalism. Lectures by experienced journalists and discussions usually comprise the program for the monthly business meeting. In addition, a monthly social meeting is also scheduled. This year the Press Club entered a convertible in the Homecoming Parade, and built a booth for the World University Service Council. A Christmas party and a spring picnic were given for members and their guests.

SCHO - LEA

Standing for the best in scholarship and leadership is the select group of Trinity women forming Scho-Lea. This is a scholastic honor organization for senior women, to stimulate and develop a finer type of college woman. Scho-Lea feels that by encouraging such characteristics in a woman she may be of greater service to herself, her school, and her fellow man, and so the Most Outstanding Sophomore Girl is selected each year by the club to encourage working for high goals. Scho-Lea girls combine their business with pleasure at monthly dinner meetings.

SPURS

Spurs is a social and service organization for University women having completed the freshman year and having attended Trinity at least one semester with a "C" average or better. Membership is invitational and is limited to fifty. The purpose of this club is to promote the best interests of the University, to support campus activities, and to sponsor social affairs for members and friends. Regular business meetings are held each week during the school year. Among its activities this year the Spurs served as hostess for a student-faculty coffee during orientation, helped sell Homecoming buttons, and decorated for the Homecoming dance.

SPURS

The Spurs are noted for having one of the most active upperclasswomen's organizations on Trinity's campus. This club sponsors an annual fall tea for all University women, and presents the Frolic of Hearts each February, at which time all Trinity holds its breath to hear who will be the Belle and Beau and the six sweethearts of Trinity. This year the Spurs also sponsored the campus collection for the World University Service and worked once a month for the Volunteer Service Bureau. An initiation banquet, a Christmas dance, a picnic, and a dinner-dance are yearly activities for members and their dates.

TRINITEERS

Triniteers is one of the University's very active social and service clubs. It was organized to promote leadership and to create a more congenial understanding among the men of the campus. Membership is limited to upperclassmen and is invitational. Among the many activities which these enthusiastic fellows sponsored this year was a Father-Son Banquet, a smoker each semester for all University men, a dinner dance, and two initiation picnics. The Triniteers added a great deal of masculine support to Homecoming activities and to our Founder's Day celebration. The major service project of the club was its compiling and editing of the Student Directory. Their business meetings are held twice monthly.

TOWN

Town Club, one of the largest organizations on Trinity's campus, lends strong support to all of the school's activities and sponsors several of its own, as well. The club is open to all students whose home is in San Antonio, whether they live off campus or in the dormitory. Promotion of better relations between town and dormitory students is the Town Club's main project this year. In line with this aim, the organization sponsored a dorm-town party this spring.

Choir*

TRINITY CHOIR

The Trinity University Choir is widely known throughout the Southwest. This group's repertoire of choral music ranges from spiritual favorites and classics to modern. The choir sings at the weekly campus chapel services and each spring makes an extended tour through Texas and neighboring states. At each Christmas season the choir and opera workshop combine to give a Christmas opera and cantatas. Membership is open to any Trinity student who has a desire to sing and who meets the standards of the director. Good singing means lots of practice so this talented group rehearses three times a week.

TRINITY UNIVERSITY PLAYERS

Trinity University Players, better known as the T.U.P.'s, is an organization to promote interest in drama at Trinity University. With a schedule of four major productions a year, a tour in early spring, a weekly half-hour radio show, and readings, the T.U.P.'s work tirelessly to present us with the best in entertainment, and at the same time groom themselves for future theatre work. They also sponsor the annual Artist's Ball. Membership is open to any student for participation in University productions, either as a member of the cast or as a member of one of the crews.

WOMEN'S RECREATIONAL ASSOCIATION

The Women's Recreational Association works to promote interest in a variety of recreational sports and sponsors games and tournaments in such fields as tennis and volleyball. The organization offers every Trinity woman interested in sports an opportunity to become a member and improve her muscular co-ordination, leadership ability, and sportsmanship. Attending Sports Day and sports events at other colleges throughout the city and state is one of the ways in which the W.R.A. encourages development of social and athletic skills. "Tennis Anyone?"

BOARD OF PUBLICATIONS

The ruling body for the two student publications is the Board of Publications. Though not "ruling with an iron hand," it does set the policies that govern them. The committee is made up of three voting faculty members and three voting student members, two of which are elected in an all-school election, and one who is appointed by the Student Council to keep an eye on its interests. The editors of the two publications are ex-officio members and sit in on all the meetings to answer questions, give opinions, and plug their own publications.

MURCHISON FELLOWSHIP

Murchison Dormitory Fellowship is unique this year as a composite of two other dorm fellowships. The East Wing of Murchison, where some of Trinity's men reside, is governed by officers of the New Men's Dormitory Fellowship, and women residing in the West Wing are governed by the officers of the McFarlin Dormitory Fellowship. The "split personality" of Murchison's Fellowship was a condition necessitated by the greatly increased enrollment at Trinity this year.

McFARLIN HALL FELLOWSHIP

McFarlin Dormitory Fellowship is that organization which strives to create beauty, good feeling, happiness, and fellowship on the Trinity Hill. In its membership are all of the girls who live on "America's Most Modern University Campus." They unite in this fellowship which regulates citizenship and social life in the "sleepatorium."

McFARLIN HALL FELLOWSHIP

The Fellowship sponsors house parties and inter-dormitory parties. The house council is the elected group which rules and moderates with the help of the house-mothers and the counselor for women. The council meets every Monday to dispense "justice" in the form of days or week-ends for rule-breakers to be campused.

MEN'S NEW DORM

James Gillis
President

Jimmy Helm
Vice President

Walter Roberts
Secretary-Treasurer

The Men's New Dormitory Fellowship is the organization to which all of the men who "room and board" in the Trinity dormitories receive automatic membership. Forming such a fellowship promotes unity and fellowship, encourages responsibility, and develops social awareness among its members. A business meeting is held each month. This year's officers were elected last spring, and many plans were formulated during the summer to aid in efficiency and smooth sailing this year and to meet the demands created by an overflow enrollment.

TORY FELLOWSHIP

The Fellowship, which is normally composed of the men in the two wings, North Hall and South Hall, of the new dormitory, was enlarged. This year due to the number of students who wished to live at Trinity, the Fellowship included men residing in the East Wing of Murchison Dormitory. Several activities were sponsored by the dorm this year. The members assisted in planning and participated in an inter-dorm party for the men and women residents of Trinity. A Christmas party was given by the group and, during Spiritual Emphasis Week, nightly discussions were conducted in the dormitory.

The MIRAGE is the University's "rogue's gallery." The name, MIRAGE, had its inception in Waxahachie when the mirage of a city was seen on Trinity's campus. It was first published as an annual in 1912 after several years in the form of a small magazine. The MIRAGE is a member of the Columbia Scholastic Press Association, the Associated Collegiate Press, and the National Scholastic Press Association. The publishing and editing of this book are done by interested students who volunteer to work on the staff and staff positions are open to all students regardless of their major subject. Last year's MIRAGE won one of the Freedoms Foundation's George Washington Medals because of its use of the theme, "The American Way of Life."

Pat, Freddie, and Carolyn check names with pictures to be sure they're right

Roel, Jackie, and Skippy compare notes on their sections

DIXIE GRACE

Mike, Marco, Marlene, Mary Jo, and George work on copy for the Monday deadline.

Swede, Nancy Sue, Frances, Mary Lee, and Bob take a look at last week's paper.

THE TRINITONIAN, the University's weekly "news and views" paper, is written and edited by students anticipating journalistic vocations. Our paper was first published in 1877 and has been published continuously since 1902. THE TRINITONIAN is a member of the Columbia Scholastic Press and has been a member of the National Scholastic Press since its inception in 1921. This publication, rated among the nation's top seven college weeklies, and winner of the Medalist's Award for 1955, has a circulation of 1900, with subscribers all over the United States and in several foreign countries in addition to student circulation. The paper won third place in the Lumberman's Mutual Casualty Company's annual safety contest this year.

SPORTS DEPT.

Frank and Darrell compare notes for the "big" story.

Jackie and Marlene sort labels to send papers all over the nation.

FAREWELL

The work piled up and the deadlines passed but we finally got it finished. We hope you like it.

We have come to the end of another college year and another MIRAGE. For the staff and me it has been a lot of work but we have had fun with it too.

When time has blended all your memories of this year—that first day in class, the new friends, Homecoming activities, the T.U.P. plays, the class dances, TWIRP days, The Frolic, holidays, the Coronation, Pan American Ball, Carnation Capers, the activity nights, school movies, the Prom, Founders' day with the beards, the Ugly Man and the Gal in Calico, Spiritual Enrichment Week, and all the club meetings and picnics—we hope that you can look back with this book as your guide to recall details and the forgotten events from the tale of your year at Tigerland.

DIXIE
